Re: *Ramon Reyes v. Keith Machinery Corp., et al.*
Civil No. 09-5309 (DRD)

Dear Judge Debevoise:

In your correspondence of March 6, 2012, you asked that each party provide comments concerning proposed changes to the preliminary Jury Instructions made by other parties to the case. I have reviewed Mr. Haworth's proposed changes on behalf of Keith Machinery and have no objection to those proposed changes.

Very truly yours,

Michael K. Yarbrough
